

**ROCK ISLAND CAPITAL COMPLETES INVESTMENT IN
PUMPS AND CONTROLS, INC.**

Rock Island Capital and existing management completed the acquisition of Pumps and Controls, Inc. ("PCI") from its current owner. Founded in 1986, PCI is a first-tier, wholesale distributor of water treatment equipment and accessories. PCI is located in Arlington, Texas and has assigned territories and contracts with several manufacturers of metering pumps, controllers, filters and accessories that are primarily used in water treatment applications.
